Therapy On A Leash, Inc.

Therapy on a Leash began in the spring of 1996. Allison Welder obtained a chocolate brown Labrador Retriever puppy and named her LuLu. LuLu and Allison went through various levels of obedience and skills training. LuLu became a nationally registered therapy dog with Delta Society and Therapy Dogs International. Allison and LuLu started their team therapy work in Oklahoma City at Children's and St. Anthony's hospitals in 1997. Upon moving to Las Vegas, we became a member of the K9 Therapists of Las Vegas and have volunteered at University Medical Center, Nathan Adelson Hospice, and Sunrise Children's Hospital. We currently visit the children at Sunrise 2-4 times per month. For the last decade, the mission of Therapy on a Leash, Inc. has been to cheer the sick, inspire the hopeless, and provide unconditional love.

History

Our company is a chain of ladies clothing boutiques with headquarters located in Uruguay, and stores in the mayor cities within the country (Montevideo, Punta del Este, Colonia and Salto). Moreover, Lolita has conquered the Latin american and European markets, having today more than 50 stores in 15 countries with franchises and company owned stores.

Lolita was founded by sisters Greta and Lolita Engelman in the year 1960, in the city of Punta del Este, Uruguay. By 1977 they already had a few stores in that city and decided to open the first store en Montevideo (Uruguay's capital).

In 1986, the company changed its only local producer profile and started to import textile products from USA, Brasil, Chile, etc. This change transformed Lolita from retailer to wholesaler.

In 1996, it was the first Uruguayan boutique to launch an internet site.

In 1999, the company Fruit of the Loom granted Lolita with a license to produce and distribute its line of products in Uruguay and Paraguay.

By December of that year, Lolita created its virtual store by means of an strategic alliance with Starmedia in order to include it in its site.

Reaching the year 2001, the company begins its international expansion by acquiring Casa Lu, a company located in southern Brasil. From then on, the once Casa Lu stores were renamed to Casa Lu by Lolita. Soon, Casa Lu by Lolita expanded itself, reaching 7 stores in Porto Alegre and surrounding cities.

During midyear of 2002, the international expansion continued by creating a franchise model. If first franchise came to light in the Canary Islands of Spain. From that moment on, franchises have been opened in Bolivia, Chile, Colombia, Costa Rica, El Salvador, Guatemala, Panama, Honduras and Nicaragua. In coming months, new stores will be opened in Puerto Rico, Israel, Mexico, Peru and the middle east.

At the end of that year, after a long process, Lolita was selected as an Endeavor company. This prestigious award enabled Lolita to receive the advice from consultancy teams of MBA students from some of the best USA universities, such as MIT, Wharton and Columbia.

The garments that compose Lolita's collections have been evolving from a local and regional approach to an international aesthetics concept. This concept focuses on a global feminine taste. Lolita offers the world's fashion to a cosmopolitan consumer, educated and well informed, who visits its stores in 15 countries. This collections are produced in Uruguay and diverse world regions, aiming to

optimize each region's advantage for each line of garments. Lolita's design team creates this collections following the world's fashion tendencies.

Lolita delivers to its clients a high quality and international wardrobe. All that at a fair price.

To satisfy the needs of our clients in any part of the world it's the main focus of the entire Lolita team.

Lolita is warmth, color and quality, from Uruguay to the world.
